
Yell Health Centre

If you suffer from a long term condition, if you are over 65, if a member of your household shielded during lockdown, if you are pregnant or have a child aged between 2 and 5 you are entitled to a flu vaccine please **phone** the Health Centre on 01957 702127 to make an appointment. Children of 11 and under will be vaccinated at school. Everyone over 55 is also entitled this year but this will be in November/December.

ALL appointments will be in the Health Centre

There are a few extra rules this year due to COVID pandemic.

- Appointments **MUST** be booked in advance.
- **ONLY** enter the building at your appointment time.
- Wear your mask
- Use the hand sanitiser at the front door.
- Ensure you wear something with short sleeves to make things easier for clinical staff.

If you are eligible but do **NOT** want a flu vaccine please phone and let us know.
